Then served them notice under Section 100(4) Cr.P.C. Thereafter and proceeded to the scene of offence along with staff and the mediators, reaching the location by 06:00 AM. At that time the police found two persons with one motorcycle. Upon seeing the raid party, the two individuals became perturbed and attempted to flee the scene. With the help of staff police stopped them and questioned why they tried to escape. They stated that they were in possession of Ganja and informed them that they had the right to be searched in the presence of a Hon'ble Magistrate or any other Gazetted Officer, and also a Gazetted Officer. In the presence of the mediators the police opened their bag and found two brown-coloured packets. Upon opening the packets, it is observed that they contained dry Ganja with a strong smell, consisting of dry leaves, seeds, and flowering tops. Then identified the substance as Dry Ganja based on its physical characteristics. In the presence of the mediators, we used a NAC Global 30 Kg Electronic Compact Scale, available in our kit, to weigh the packets. The total weight of the two packets was 2 kilograms. Then examined the motorcycle in the presence of the mediators. It was a black Bajaj Pulsar 125, bearing registration number AP 39 QT 1086. Upon inquiry, the two individuals revealed their personal details, as recorded in Column No. 3. When questioned about the Ganja, they stated that four days earlier, Prathipati Venkat had asked Akshay about celebrating his birthday on 07.03.2023. Akshay suggested they purchase Ganja from one Chintha Baji for the party. However, the party was cancelled on 07.03.2023 for unspecified reasons. On date, i.e., 09.03.2023, they decided to celebrate the party again. Then identified the three persons involved as A1, A2, and A3. When questioned about the motorcycle, A1 stated that he had borrowed it from an acquaintance named Thomandru Venkata Ramana to pick up a friend. Then the Police checked the motorcycle but did not find any documents related to it. In the presence of the mediators, it is explained to the accused that possession, sale, and purchase of Ganja is an offence under the NDPS Act, 1985. Then served a notice under Section 51 Cr.P.C. and arrested the accused. Further informed them that samples of the seized contraband would be drawn before the Hon'ble Magistrate. Then seized the contraband and the motorcycle. Identification slips were affixed to the seized property and were signed by me, the mediators, and the accused under the cover of a mediators' report, which was drafted at the scene of the offence.
